Introducing Phonak Audéo Life

The world's first waterproof rechargeable hearing aid

Phonak Audéo Life is part of the Paradise family of hearing aids. It's the world's first waterproof*, rechargeable hearing aid and allows you to do things with hearing aids that you never thought possible.

Successfully tested in fresh, salty and soapy water, Phonak Audéo Life allows you to confidently wear your hearing aids while at the swimming pool, in the shower or even for a day out with family and friends at the beach.

Take your Audéo Life with you to the gym and they will continue providing crisp, natural sound² even if you're working up a heavy sweat during your workouts. If you put your hearing aids under more pressure in physically demanding environments, Audéo Life is designed to keep you hearing well while feeling good about all the things life has to offer!

The key to confidence

Audéo Life has a host of new features to ensure it keeps functioning through a multitude of conditions. It does this by using a special coating and a newly designed sealed housing to protect the sensitive electronics from dust and moisture.

If you're at the hairdresser or simply singing in the rain, you can have the confidence of knowing that Phonak Audéo Life will be by your side, functioning effectively, every step of the way.

Phonak Charger Case Go™

Audéo Life is also the first hearing aid from Phonak to offer inductive charging, which further protects it from moisture. Available with the newly designed Phonak Charger Case Go it is ideal for charging on the move. Featuring an internal battery, Phonak Charger Case Go is exclusively designed for charging Audéo Life. It can fully charge the hearing aids up to 3 times on a single charge and is easy to use.

life is on

At Phonak, we believe that well-hearing equates to well-being and is essential to living life to the fullest. For more than 70 years, we have remained passionate about creating a world where 'life is on' for everyone. Our innovative hearing solutions are designed for people of all ages and all degrees of hearing loss, to connect socially, thrive mentally and emotionally.
